PQ - GENERAL PROVISIONS

THESE GENERAL PROVISIONS SHALL BE DEEMED AS PART OF THE SPECIFICATIONS.

The provisions of the Procurement Ordinance for the Consolidated Government of Columbus, Georgia as adopted and amended by Council shall apply to all invitations and award of all contracts and is specifically incorporated herein by this reference. A copy of the ordinance is on file in the Purchasing Division.

1. TERM "CITY". The term "City" as used throughout these documents will mean Consolidated Government of Columbus, Georgia.

2. PREPARATION OF FORM. Responses shall be submitted on the forms provided by the City. All figures must be written in ink or typewritten. Figures written in pencil or erasures are not acceptable. However, mistakes may be crossed out, corrections inserted adjacent thereto, initialed in ink by the person signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Failure to properly sign forms, in ink, will render response incomplete.

3. EXECUTION OF THE PRICE QUOTE. Execution of the price quote will indicate the vendor is familiar and in compliance with all local laws, regulations, ordinances, site inspections, licenses, dray tags, etc.

4. QUOTE DUE DATE. The quote submission must arrive in the Purchasing Division on or before the stated due date and time. Upon receipt, quotes will be time and date stamped. Quotes will remain sealed and secured until the stated due date and time for the PQ opening.

5. QUOTATION RECEIPT AND OPENING. Sealed Quotations shall be opened publicly in the presence of one or more witnesses at the time and place stated in the public notice. The amount of each quotation, the bidder's name and such other relevant information as the Purchasing Manager deems appropriate shall be recorded and retained in accordance with Georgia law. The record and each bid shall be open to the public in accordance with Article 3, 301A of the Procurement Ordinance (Public Access to Procurement Information).

6. LATE RESPONSES. It is the responsibility of the vendor to ensure responses are submitted by the specified due date and time. Responses received after the stated date and time will be returned, unopened, to the vendor. The official clock to determine the date and time will be the time/date stamp located in the Finance Department. All responses received will be time and date stamped by the official clock. The City will not be held responsible for the late delivery due to the U.S. Mail Service, or any other courier service.

7. RECEIPT OF ONE RESPONSE. In the event only one response is received, the Purchasing Division shall conduct a survey of vendors to inquire of "no quote" responses and non-responsive vendors. If, from the survey, it is determined by the Purchasing Division that specifications need revision, the one response received will be returned, to the responding vendor, with a letter of explanation and a new solicitation prepared. If it is determined that other vendors need to be contacted, the due date will be extended, and the one response received will remain secured until the new due date. The vendor submitting the single response will receive a letter of explanation. **If it is determined the one response received is from the only responsive, responsible vendor, the single response will be evaluated by the Purchasing Division and the using agency for award recommendation.**

8. RECEIPT OF TIE QUOTES. In the event multiple responsive, responsible vendors are tied for the lowest price and all other terms and requirements are met by all tied vendors, the award recommendation shall be resolved in the order of the preferences listed below:

1. Award to the local vendor whose principal place of business is located in Columbus, Georgia.
2. Award to vendor previously awarded based on favorable prior experience.
3. Award to vendor whose principal place of business is located in the State of Georgia.
4. If feasible, divide the award equally among the vendors.
5. If it is not feasible to award equally and only two vendors are tied, perform a coin toss in the presence of the two vendors, either in person or virtually.
6. *If the above preferences are insufficient to resolve the tie, all quote responses will be rejected and the PQ will be re-advertised.*

9. RECEIPT OF MULTIPLE RESPONSES. **Unless otherwise stated in the specifications, the City will accept one and only one response per vendor.** Any unsolicited multiple response(s) will not be considered. If prior to the due date, more than one response is received from the same vendor, the following will occur: (1) the vendor will be contacted and required to submit written acknowledgment of the response to be considered; (2) the additional response(s) will be returned to the vendor unopened. If on the due date more than one response is enclosed in a single response package, the City will consider the vendor non-responsive and all responses will be returned to the vendor.

10. CONDITION AND PACKAGING. Unless otherwise defined in the specifications, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition, that all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.

11. FREIGHT/SHIPPING/HANDLING CHARGES. All freight, shipping, and handling charges shall be included in the quoted price(s). The City will pay no additional charges.

12. CORRECTION OR WITHDRAWAL OF RESPONSE/CANCELLATION OF AWARDS. Corrections or withdrawals of inadvertently erroneous responses before or after due date, or cancellation of awards of contracts based on such mistakes may be permitted where appropriate. Mistakes discovered before due date may be modified or response withdrawn by written notice received in the office of Purchasing prior to the due date.

After the due date, no changes in prices or other provisions of responses prejudicial to the interest of the City or fair competition shall be permitted. In lieu of correction, a low, responding vendor alleging a material mistake of fact may be permitted to withdraw its response if the mistake is clearly evident, or if the vendor submits evidence which clearly and convincingly demonstrates that a mistake was made. All decisions to permit corrections or withdrawals of responses or to cancel awards or contracts based on mistakes will be supported by the written determination of the Purchasing Officer.

13. ADDENDA AND INTERPRETATIONS. If it becomes necessary to revise any part of this solicitation, a written addendum will be provided to all vendors. The City is not bound by any oral representations, clarifications, or changes made to the written specifications by City employees, unless such clarification or change is provided to the vendors in written addendum form from the Purchasing Officer. Vendors will be required to acknowledge receipt of the addenda (if applicable) in their response. The vendor may provide an initialed copy of each addendum or initial the appropriate area on the pricing page. Failure to acknowledge receipt of the addenda (when applicable) will render response incomplete. It is the vendor's responsibility to contact the City for copies of addenda, if price quote solicitation documents are received from any source other than the City.

14. EVALUATION AND AWARD. Quotation responses will be evaluated by the using agency for award recommendation. Purchasing Staff will perform further review for due diligence. During the evaluation of responses, the City reserves the right to request clarification of responses and to request the submission of references, if deemed necessary for a complete evaluation of responses. Award will be made to the responsive and responsible vendor whose response is most economical according to criteria designated in the solicitation. The determination of the lowest responsive and responsible vendor may involve all or some of the following factors: prices, conformity to specifications, financial ability to meet the contract, previous performance, facilities and equipment, availability of repair parts, experience, delivery promise, terms of payment, compatibility as required, other cost, and other objective and accountable factors, if any, (which are further described in the specifications). The City shall be the judge of the factors and will make the award in the best interest of the City.

15. TIME FOR CONSIDERATION. Responses must remain in effect for at least thirty (30) days after date of receipt to allow for evaluation.

16. SECURITY AND PERFORMANCE BOND. Security (Bid Bond) shall be required for competitive solicitations for contracts when deemed necessary by the City. Security shall be a bond provided by a surety company authorized to do business in the State, or in the form of a certified check. Security shall be in an amount equal to at least five percent (5%) of the quoted amount. The City will accept a copy of a bid bond on the due date. However, if a copy of a bid bond is submitted, the vendor must submit to the Purchasing Division the identical original document within five (5) days after the due date. **If the original document is not received within the five (5) days, the response will not be considered.**

If a **Performance Bond** is required, such shall be executed by a surety company authorized to do business in the State. The performance bond shall be equal to one hundred percent (100%) of the quoted price.

C. Excuses for Nonperformance or Delayed Performances: Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms, if the contractor has notified the Purchasing Division Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of public enemy; acts of the City and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather.

If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed in default, unless the supplies or services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements.

Upon request of the contractor, the Purchasing Division Director shall ascertain the facts and extent of such failure, and, if such director determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly.
